RE: Application for the Transfer of Certificate of Public Convenience and Necessity #9662-A from Cardinal Moving and Storage, Inc. to DeHaven's Transfer & Storage of Charlotte, Inc., Docket No. 2009-196 -T, Our File No. **1859-11630**

Dear Mr. Terreni:

I am writing on behalf of DeHaven's Transfer & Storage of Charlotte, Inc. ("De Haven's") with respect to the application of S.C. Code Ann. Regs. 103-135(4)(b) (the "Regulation"). That provision provides: "If the application does not contain evidence that the authorized services have been continuously offered and reasonably provided to the public for a period of time not less than twelve (12) months prior to the date of the filing of the application, the application may be denied."

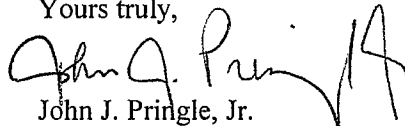

De Haven's requests that the Commission use its permissive authority contained in the Regulation to grant (and accept and process) its application, notwithstanding the fact that the bills of lading filed to date may not demonstrate the "continuously offered and reasonably provided" requirement of the Regulation. In the alternative, DeHaven's requests that the Commission waive application of the Regulation for purposes of accepting and processing the application.

Per S.C. Code Ann. Regs. 103-803, compliance with the Regulation (to the extent the Regulation requires a showing with the filing of an application) produces unusual hardship or difficulty for DeHaven's because of the bankruptcy of Cardinal Moving and Storage described in previous correspondence to the Commission. Accordingly, the waiver request is clearly not contrary to the public interest because the Commission will still have the full opportunity to consider and act on DeHaven's application.

In making this request, DeHaven's reserves its right to present evidence demonstrating compliance with the Regulation over the course of the Docket in this matter.

With kind regards, I am

Yours truly,

John J. Pringle, Jr.
